Counseling & Psychological Services

Make an Appointment

Appointments can be made over the phone. To make your initial appointment, please call us between **9:00 am to 4:00 pm Mondays through Fridays**. Crisis Counseling is available by phone 24 hours a day, 7 days a week at (310) 825-0768.

Eligibility

All UCLA students (both SHIP and NONSHIP insured) are currently eligible to receive both individual and group treatment services at CAPS. Students who have SHIP insurance are eligible for psychiatry services as well.

Confidentiality

Our services are confidential. We will not disclose information about your treatment to anyone who is not directly involved in your care without your written permission. In order to disclose information to outside entities, a Release of Information form will have to be filled out. This form can be found on our website.

Patient Portal

Your patient portal is the most secure method of communication with your CAPS clinician. Log onto the patient portal from the CAPS website to cancel appointments online, send your clinician a non-urgent message, and view referrals issued.

Groups Offered Through Telehealth:

Please be advised that in response to protective measures of social distancing for the COVID-19 virus, all Summer quarter groups at CAPS will be offered through a Zoom telehealth platform that meets strict HIPPA privacy guidelines. To participate in a group, students must first download the Zoom software to a device (computer, tablet, or phone) that will have internet access at the time of the group session. Students should also arrange to be in a place that affords them privacy during the group session. Group leaders will be sending out instructions for how to log in to the group Zoom meeting through a secure message that can be accessed through the Ashe Patient Portal. If you have any questions or concerns, about accessing group services through a telehealth platform, please contact the CAPS front desk staff at (310) 825-0768.

CARE Program

CARE is a safe place for survivors of sexual assault, dating and domestic violence, and/or stalking to get support, consultation, and to have a confidential place to talk. You can get help without formally reporting an assault or requesting formal treatment. CARE also provides trauma-informed yoga to survivors and awareness and prevention education to the campus community. Custom workshops and trainings are offered on a variety of topics related to sexual violence. For more information on resources and support, visit: www.careprogram.ucla.edu

Resilience in the Student Experience (RISE)

Say hello to RISE! *Resilience in the Student Experience (RISE)*, is an affiliate program and physical extension of Counseling and Psychological Services (CAPS). RISE serves as CAPS' holistic wellness hub and provides an array of programs, classes, trainings, and self-directed resources to foster and support resilience, connection, and well-being. Offerings include meditation, yoga, peer coaching, and other mind-body modalities. Please visit risecenter.ucla.edu for more information.

LiveHealth Online

LiveHealth Online enables you to see a Licensed Therapist or Psychiatrist through your phone, tablet or computer with internet access. It is available 24 hours a day on weekdays, weekends and campus holidays. Login codes are available from CAPS to cover any out of pocket costs so that these services are free to UCLA students. We have two separate codes, one for therapy and the other for psychiatry. To receive these codes, please call the CAPS front desk at (310) 825-0768. Access LiveHealth Online at www.livehealthonline.com

Therapy Assisted Online (TAO)

TAO is a self-help platform built to support student educational and skill development needs in the areas of mental wellness and overall well-being. TAO self-help tools can be used when students need support and education for common issues such as: improving mood, calming anxiety, managing stress, and improving relationships. It is free for all UCLA students. www.counseling.ucla.edu/tao
